Design Technology Technician

Salary	**Grade E (£15,144 - £16,572)** (the salary is reduced pro-rata for part-time/term time work)
Hours	**37 hours/week**
Working weeks	**38 weeks + 5 training days**
Contract	**Fixed Term for 12 months in the first instance**
Start date	**April 2017**

We require a committed and suitably experienced person to support the Design Technology Team in organising the provision of practical support for staff and pupils at all Key Stages for the Design Technology curriculum area. The successful candidate will prepare materials, equipment and teaching aids for classroom use under the direction of their line manager. They will also support teachers and students engaged in practical tasks. The routine checking, testing and cleaning of equipment is a key element of this role ensuring an environment in which students and staff can safely and effectively pursue creative practical work.

The position is for a 1 year fixed term contract in the first instance and would suit anyone who has a natural aptitude and passion for working in a practical, workshop environment and who wants to support our young people in achieving their very best.

We are committed to safeguarding children and the successful applicant will be required to undertake an enhanced Disclosure and Barring service (DBS) check, and will be assessed against the Childcare Disqualification Regulations.

Applicants will need to complete the Wadebridge School Non-Teaching Application Form which is available on the school website www.wadebridge.cornwall.sch.uk and return by email to rhughes@wadebridge.cornwall.sch.uk

Closing date: 6th March 2017
