

Students from Wadebridge School participated in the Cornwall School games down at Mylor Harbour where a range of different activities were held.

The events were: Paddle boarding, Kayaking, Gig rowing and sailing.

The Wadebridge student did exceptionally well, we want to particularly congratulate individual students like; Ellie Nuttall, Harry Cotton and James Greenwood placing high up in the leader board. A well done to the rest of the team for participating on the day I think that they can all go away smiling as they clearly tried their best!

As far as it goes for the rowers, they were unlucky as they unfairly lost due to a dramatic collision with an astray sailing boat! Also things took a turn for Matt Mitchell who managed to break his sailing boat during his race denying him a chance to finish.

There was two days planned for the summer games one on the Wednesdays 25<sup>th</sup> and Friday the 27<sup>th</sup>. The Wednesday was the water sports and Friday indoor team activities but many events were cancelled due to bad weather.

A big shout out Mrs Coombes and Mrs Cox for motivating the rowers to do well and a thanks to Mrs Cox for being the cox for our rowers. Also to Mr Abbiss and Mr & Mrs Vinton for helping our sailors!
