Dear Parent/Guardian

The school now has an allotment plot on school site and three raised beds have been created outside the Food Technology rooms. The long-term plan is to encourage students to help prepare and grow crops that they can use in their Food lessons so they can be made aware of the difference in taste and flavour with home grown produce. Moreover, we would like to encourage the school canteens to use the fresh produce from the plot and the raised beds so that all students will benefit.

I wish to invite your son/daughter to participate in the Allotment Club which will run every Tuesday after school: 3.00-5.00 pm. I would like to begin the club a.s.a.p. as a great deal of preparation will be required if students are to plant key food types in the spring.

If you're happy for them to work on the allotment would you please sign the consent form and return to me a.s.a.p.

Yours sincerely

Ms K Roft  
Assistant Headteacher
