Future career possibility? (This will help us review your programme and subject choices – see support on the following page).

A LEVEL PROGRAMME

- You need to achieve a **Grade 6** in the you wish to study at A-Level (a grade 5 is accepted at the School's discretion),
- The Standard A-Level Programme consists of 3 Subjects
- If you have not previously studied a subject, then your grades in a related subject or your English/Maths grade will be used.
- You need to have achieved at least five good passes
- English and Maths re-sit options for students below a grade 4.

LEVEL 3 PROGRAMME BTEC or similar

- You need to achieve at least 5 'good grades' or above to enrol on the BTEC Programme
- The normal expectation is for you to achieve a grade 4 in GCSE English, however, there is provision for re-take GCSE English alongside the BTEC programme. You will study Maths if you have not yet achieved a grade 4 or above at GCSE.
- The Standard BTEC programme consists of 3 subjects.
- If you have not previously studied a subject, then your grades in related subject or your English/Maths grade will be used.
