Debt Recovery Policy and Procedures

Debt recovery becomes necessary when the customer fails to pay to the agreed terms set out in the original contract. The procedure has been written based on the standard payment terms of 28 days.

1st reminder letter – 32 days after the invoice date (sample attached)

2nd reminder letter – 10 days after the 1st reminder letter (sample attached)

3rd reminder letter 7 days after the 2nd stating the matter will be referred to our solicitors

Depending on the trading relationship the school has with the debtor, a phone call may be more appropriate prior to sending the reminder letters as any issues can be resolved on a more personal basis. **To assist with recovery action it is important to keep copies of all correspondence and a record of all telephone calls relating to the debt.**

If payment has still not been secured after the above actions the school will need to make a decision on whether they wish to pursue the debt further. This decision is likely to be taken in relation to the value of the debt and will need to be made on a case to case basis. In some cases if the debt is a very low value it is uneconomical to continue with the recovery action.

If the school decides to pursue the debt they should contact their Legal representatives when the case can be discussed to find the best way forward. There are 3 options open:

1) Write off

2) Instigate legal proceedings

3) Referral to 3rd Party Collection Agents

The course of action will depend on the specific nature of the case and the decision should be made in consultation with the Legal representative.

A copy of the Code of Practice can be found on the next page and should be adhered to.
