Curriculum Area Leader

Design Technology

MPS/UPS

TLR2 £6515 - £4396

Wadebridge School is a popular, successful school and is looking to appoint a dynamic and inspirational teacher to lead and take forward our Design Technology Department.

Our curriculum area leaders play a vital role within the school and we are looking for the right teacher to join us. The successful candidate will possess a clear vision of the role of Design Technology within the curriculum and how this can be developed in the light of changes to both technology and the educational landscape. They will have the enthusiasm and ability to inspire and lead a dedicated team of four teachers and two technicians, ensuring high standards of teaching, learning and assessment, effective use of resources and the management of the curriculum in accordance with school policy.

The subjects within the department are popular option choices at GCSE, with multiple classes in both Food and Resistant Materials. The ability to teach Resistant Materials to GCSE level is essential. The ability to teach Food to GCSE level, would be desirable, but not essential.

The post provides an excellent opportunity for an experienced teacher, looking for career development.

Wadebridge School has 1104 students and provides education for students from 11 to 19. The school became an academy on 1st April 2012 and were inspected by Ofsted on the 9th January 2018 – the full report is not yet available but previous reports can be viewed on our school website www.wadebridge.cornwall.sch.uk

Closing date: Thursday 8th February 2018

Interview date: w/c 19th February 2018

Start date: September 2018
