

The Clare Teal Fund

Clare Teal generously came to our school to work and perform with our students in concert, March 2019. The money raised from the concert went into creating the 'Clare Teal Fund' to help support students access music who would not normally be able to. The fund can help pay for tuition, events and the supply of instruments and equipment.

If you feel that you may be eligible for support from the 'Clare Teal Fund' you will need to complete an application form (available from Mr Williams in Music).

If you are successful in receiving support from the 'Clare Teal Fund' then you would be expected to fully support the school's extra-curricular activities and events.

For further information, please see Mr Williams in Music
