We are looking to recruit Cover Supervisors for the new academic year. Cover Supervisors are required to supervise pupils during short-term absence of their teachers and to ensure that their learning programmes can continue. The cover and support required will be wide and varied throughout all departments in the School, however, we endeavour to utilise any particular subject strengths where possible. It would be an advantage if applicants had recent experience of working in a secondary school environment or with young people. Good communication skills and a desire to support teenagers in their learning is essential. The ability to contribute to extra-curricular activity is highly desirable.

This is an excellent opportunity to work in a successful school and could prepare individuals for future career paths, particularly those interested in going onto teacher training.

Wadebridge School has 1104 students and provides education for students from 11 to 19 and is committed to the health and wellbeing of both its students and staff. We were successfully inspected by Ofsted on 9th January 2018 – the full report is available to view on our school website www.wadebridge.cornwall.sch.uk

The school is committed to safeguarding children and the successful applicant will be required to undertake an enhanced DBS check and will be assessed against the Childcare Disqualification Regulations.

Applicants will need to complete the [Wadebridge School Non-Teaching Application Form](#) and return by email to rhughes@wadebridge.cornwall.sch.uk
