

The image features the crest of Wadebridge Secondary School, which is a shield-shaped emblem. The crest is divided into two horizontal sections. The upper section is black and contains a white illustration of an open book with two gothic-style arches on either side. The lower section is black and contains a white grid of 15 dots arranged in three rows of five. The entire crest is outlined in gold and black. Overlaid on the crest is the text 'Wadebridge Secondary School' in a blue, sans-serif font, centered horizontally across the middle of the shield.

# Subjects

Subjects are mostly the same as your lessons in Primary however some may be called something different or may be slightly different but don't be nervous that you are suddenly going to do something GCSE level because you are put into groups that are with people that are at the same level as you. There are 5 lessons in a day. Here is an example of a time table I made in ICT.

Here are the lessons that you will have

- English
- Maths
- Science
- MFL (French or Spanish)
- D&T (design and technology)
- EPR (R.E)
- Geography
- History
- Music
- P.D (P.H.S.E)
- P.E
- I.C.T
- Art

# Worries

**You probably have lots of worries about the transition as it is a drastic change from all lessons in 1 classroom to each subject has a different type of room. Getting lost is a common worry but you shouldn't as people rarely get lost and if you do there is always someone to help. All the subjects are grouped together so if you can see 1 science room you can easily find them all.**

# Worries

Another worry is bullying. The honest truth is bullying does happen but very rarely and there are always people to help you such as teachers and Pastoral support. The last worry this powerpoint is going to cover which is punishments. People always worry about detentions and red flags (so did I) and what they mean. Well, you can get positive and negative red flags and if you get 3 negative red flags in a certain area you will get a detention.

# Pastoral Support

This is a group staff members who are specially trained to deal with your problems no matter how big or small. Whether it's homework or friends, they will always be there to help.
