

## Economic Development: MNCs & Globalisation (SELF-REVIEW)

Student's name	Class	Date	
Now I've reached the end of the economic development unit			
	Yes	Think so	No
◆ I know what Globalisation means			
◆ I know what a Multinational Company is (MNC)			
◆ I can give some positive and negative effects of MNC's to areas they locate in			
◆ I can name and give specific facts on one Multinational Company and describe the positive and negative effects on one country it is located in			
<b>CASE STUDY – Nike in Vietnam</b>			
◆ I know some environmental impacts of different economic activities (primary, secondary, tertiary and quaternary)			
◆ I can explain the causes of global warming (climate change)			
◆ I can describe some of the effects of global warming (climate change)			
◆ I can identify some of the solutions to global warming (climate change) locally, nationally and globally			
◆ I can describe the conflict between economic development and environmental damage and the possible management of this conflict in a specific location			
<b>CASE STUDY – Economic development on the Pearl River Delta (China)</b>			

I can explain what these terms mean:

*Economic Activities* ☐   
 *Primary Activity* ☐   
 *Secondary Activity* ☐   
 *Tertiary Activity* ☐   
 *Quaternary Activity* ☐

*Location Factors* ☐   
*MEDC* ☐   
*LEDC* ☐   
*NIC's* ☐   
*LDC's* ☐   
*Globalisation* ☐   
*Conflict* ☐

*Multinational Company (MNC)* ☐   
*Environmental Impact* ☐   
*Economic Development* ☐   
*Global Warming* ☐

**The parts of this topic that I need to revisit are:**
