

We hope you all have a restful Easter.

We are still working really hard on getting our Sensory room up and running and we are nearly there now!

We are also pleased and excited to announce we have a new focus with the way we deliver our music times. Not only are we going to deliver our own music sessions but we are planning to join with the school music department as well.

This half term, the Preschool children have been learning about *Growing*. We have found out how plants grow and how we grow.

This term the Nursery room have focussed on farms, farm animals, growing and special people. We have also celebrated Chinese New Year, St David's day, St Piran's day and St Patrick's day, where we joined in with the Preschool room for a range of different activities.

We have a few birthdays to celebrate this half term...

Mylo - 1 James - 3
Rafe - 3 Bodhi - 3
Orla - 4 Aisling - 3

Congratulations Megan for completing your Level 3 qualification in Childcare. We wish you the best of luck in your new job, which you will be starting after the Easter holidays. You will be greatly missed by all the team and the children.

With the cold, wet weather, the children will still be going out to explore the garden, so please remember to supply your child(ren) with named coats, hats and welly boots!
