## Team Sports Personality

- Well done to the cross country teams that competed at Tavistock. They all competed well with the Inter boys coming out with the top team score.
- The year 11 boys played well in the second half against a tall Launceston team but failed to claw back a first half goal. They created lots of chances in the second half and played some good football but it was just not to be!
- The U19 Netballers were excellent at their County Tournament.
