

PUPIL PREMIUM

AND THE SUPPORT FOR DISADVANTAGED PUPILS

THE WAY WE DO THINGS AT **W**adebridge **S**chool
KEY GUIDANCE FOR STUDENTS & PARENTS

Pupil Premium @ Wadebridge School

The PP Team

A team of advocates dedicated to supporting disadvantaged pupils at Wadebridge School.

Contact us via

ppparents@wadebridge.cornwall.sch.uk

Pupil Premium Bursary

All PP students have access a bursary of £50 to be spent during each academic year.

This contributes towards the cost of resources, uniform, equipment, etc.

Additional Funding

A discretionary fund to provide PP students with help toward other education costs, e.g. trips.

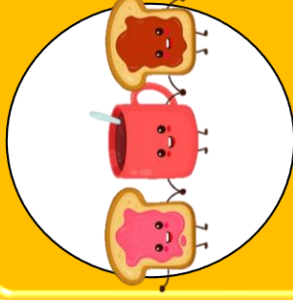

Access to this fund is considered on a case-by-case basis.

Learning Support

Our team of HLTAs are invaluable in supporting PP students in and out of lessons.

Find them in the new Learning Resource Centre.

Breakfast Club

PP students have the opportunity to have breakfast before school from 8:15 am - 8:30 am with a variety of food on offer, in the Learning Resource centre.

Mentoring

The PP team closely monitor students' progress across all curriculum areas and provide support through a structured mentoring programme

Student Bursaries:

How students can access funding to support academic success

PP students are allocated a £50 Bursary at the start of every academic year. This is to cover the cost of most essential items needed for school e.g. uniform - we will provide one of each uniform item, e.g. one school jumper, one tie, one PE top etc. per student. School equipment – e.g. maths packs, stationary set, revision packs, revision books etc. This £50 is for the academic year and is available for each child, we are not able to share the funding between siblings. If there are any funds remaining by the end of the summer term the funding will not be 'rolled over'.

This funding is separate to the funding of school meals.

Alongside the £50 allocation of funding for each PP student, we will have a discretionary fund available if there are additional essential items needed.

For the discretionary funding attendance and attitude to studies will be considered as part of the request.

We also have educational visit funding to support student accessing the curriculum and allowing them to go on curriculum based school visits.

CURRICULUM OFFER

OUR INTENT

The intent of the disadvantaged strategy is to ‘**level the playing field**’ for all disadvantaged pupils within the school to ensure that they have a greater chance of success in life and to act as a springboard for social mobility.

			College taster days – St Austell, Truro, Callywith and Dutchy	

Here are some examples of trips and experiences that have run at Wadebridge School in the past. PP student can apply for support with financing these trips through the PP Discretionary Fund (T&Cs apply). Bursary money can also help towards transport cost for after school clubs.

PP Breakfast Club

A Positive start to the day!

Breakfast Club

Students are able to arrive to school, get some breakfast and check that they are ready for the school day.

Where and When?

Daily 8.15- 8.30 in DT4

LRC Uniform Loans

We are able to arrange uniform and equipment loans or orders in the LRC. Staff are on hand to provide support if needed, this may be giving advice immediately or arranging a meeting for later in the day.

I come to Breakfast Club because.....

"It is nice to talk to the teachers and it is great fun to talk and have a laugh"

"I get on the early bus and the food is good"

"It is yummy and I get to talk to friends"

"The breakfast club is a great place to eat food and hang with other people"

"It's delicious - keep it on"

Breakfast Club this year has made a difference to me because

I have built good relationships

It has lightened up my days and allowed me to talk to people

I have made some new friends

It is free and I have made new friends

I don't have breakfast at home so its good
