News in Brief

Year 13 Awards

Year 13 said goodbye to Wadebridge Sixth Form in an emotional celebration afternoon. Surrounded by family, friends and staff, the students warmly received heart-felt and entertaining eulogies from their tutors before presenting them with a gift at the end of the speeches as a way of thanks for the support they have received over the two years. Mr Stuart Robertson presented the subject prizes before Mr Streete and Miss Yardley handed out the Head of Sixth Form prizes. The audience were treated to wonderful performances from Annabelle Cowling, Morgan Doughty and Victoria Blake-Dobell. There was also amazing A-Level Art and Photography work on display in the Common Room. Details of all the prize winners can be found on the school website. Mr Streete would like to thank students, parents, staff and governors for attending.

Year 13 Leavers Prom

Year 13 enjoyed their Leavers Prom at the Retallack Resort. It was a lovely evening with an 'under the sea theme'. This final time together was a fitting end to the students' time at WSF. The atmosphere was warm with laughter pervading the air as staff and students swapped memories from the past years. Sixth Form President, Charlotte Colwill, and Vice President, Josh Holmes, then took to the mic and delivered a heart-felt final farewell before handing out the student prom awards. Following a professional 'FlowRider' display, the night was rounded off with a DJ and dancing. Head of Sixth Form, Matt Streete, said "it was a pleasure to spend the evening with such a fantastic group of people. They will all be missed and we wish everyone all the very best for the next stage in their lives". Special thanks goes out to Charlotte and the Council for organising the event.

Gold Duke of Edinburgh

2013 saw the completion of a very successful Gold expedition in the Lake District and the start of a new challenge for Year 12 students. Students had a fun packed week skiing down the Austrian Alpine slopes of Mauterndorf at Easter. As always the trip was a huge success and students returned with many stories. Beginners to Advanced skiers had a fantastic time. The students were a credit to the Sixth Form.

Royal Marines @ WSF

Students were put to the test with challenging problem solving tasks during a day of leadership activities run

by the Royal Marines. Teamwork and ingenuity were needed and a good day was had by all.

Fairtrade and Food Charity

This year's International Development focus has been Fairtrade. Students have worked hard to increase the awareness of Fairtrade to lower school. They ran two Fairtrade Days and also delivered assemblies. Fitting in with the theme of food charity, the students also co-ordinated the collection of food for Wadebridge Foodbank.
