Year Six Transition Project 2017 **Monday 3rd July – Friday 7th July 2017**

Dear Parents/Carers,

This is the letter from our Partner Primary Schools who are organising the Transition week activities alongside those provided by Wadebridge School. All children must have returned parental consent forms to take part in the activities.

We can confirm that we will provide a week of varied activities for the year six pupils from all the feeder primaries to Wadebridge School. The week is an opportunity to have fun and spend time making new friends in the tutor groups in preparation for September.

Wadebridge School has organised the children into seven colour teams. This means that your child will be able to spend a whole week getting to know the people they will spend many years with as they learn together at secondary school.

Registration and de-registration

Parents are asked to ensure that they register their child each day with their colour group leader. This must be adhered to in the interests of safety. This must also be done at the end of the day too to ensure that all children are returned to parents at the end of the day. **Note: This does not need to happen when children attend induction days at Wadebridge School as children arrive independently and go straight to school hall.**

- On Monday and Tuesday registration and de-registration will happen at Wadebridge Primary apart from the children involved in the extreme mountain biking.
- On Wednesday registration and de-registration will happen at your beach location.
- On Thursday and Friday registration will happen in the Sports Hall at Wadebridge Leisure Centre and de-registration at Royal Cornwall Showground.

Payment

We are asking parents to contribute £15 towards these activities for the week. If you have not already done so please pay this amount to your own Primary School.
