

A big welcome back to all the children, we hope you have all had a fabulous Christmas break.

Changes to the our team:
We would like to welcome Sandra to our nursery team, she will be joining the preschool room.

This half term, the Preschool children will be learning about Winter. This will entail the different types of weather, clothing and sports. We will also focus on the different types of Artic animals.

A massive Happy Birthday to those who celebrated during last half term;

Evie 1
Caden 1

Cold and wet weather will not stop us from exploring the outdoor environment therefore, please remember to supply your child(ren) with coats, hats and welly boots! Thank you

This term the Nursery room theme is opposites and numbers. We will be learning all about things that are big and little, up and down, and push and pull. We will also have a focus on number rhymes and songs with a emphasis on numbers 1,2,3.

We would like to welcome Mylo and Louis to our Nursery room!
