Hours	32.5 hours/week
Term time only	38 weeks/year
Contract	Fixed Term for 12 months in the first instance
Start date	Negotiable

We are looking to add to our team of Cover Supervisors. Cover Supervisors are required to supervise pupils during short-term absence of their teachers and to ensure that their learning programmes can continue. The cover and support required will be wide and varied throughout all departments in the School, however, we endeavour to utilise any particular subject strengths or preferences where possible. It would be an advantage if applicants had recent experience of working in a secondary school environment or with young people. Good communication skills and a desire to support teenagers in their learning is essential. The ability to contribute to extra-curricular activity is highly desirable.

This is an excellent opportunity to work in a successful school and could prepare individuals for future career paths, particularly those interested in going onto teacher training.

At Wadebridge we try to balance an unwavering focus on progress and achievement for all, with working tirelessly to support our young people in every aspect of their lives; standing alongside them to build the skills and strategies needed in order to remove barriers to their learning and/or social and emotional development. As a school we are committed to promoting the health and wellbeing of everyone in our school community and this starts with our staff: health and wellbeing is the number one priority on all our school improvement and professional growth plans. In 2020 our work in this area was recognised by Carnegie Centre of Excellence for Mental Health in Schools when we were achieved a Gold Award ([the full report can be accessed here](#)).

Some of the strategies we have implemented include:-

- Over 110 colleagues at all levels have completed a two-day training programme with MHFA England to be certificated as Mental Health First Aiders
- We have an extensive and highly effective student support team
- A dedicated team of Health Champions focussing on strategies to promote positive staff wellbeing
- Fully paid wellbeing time built into the school calendar each half term

Wadebridge School has 1063 students and provides education for students from 11 to 16 and is committed to the health and wellbeing of both its students and staff. We were successfully inspected by Ofsted on 10th & 11th December 2019 and Wadebridge School remains a Good school – the full report is available to view on our school website www.wadebridge.cornwall.sch.uk

The school is committed to safeguarding children and the successful applicant will be required to undertake an enhanced DBS check.

Applicants will need to complete the Wadebridge School non-teaching application form which is available on the vacancies page of the school website and return by email to rhughes@wadebridge.cornwall.sch.uk

Closing date: Open-ended

Interview date: tbc

Start date: Negotiable
