S o m e w h e r e   t o   c o m e   f o r   a   c h a t !

## Drop In Tuesdays:

An additional opportunity for our Gifted and Talented students to 'drop in' for extra support with :

- Managing Homework
- Revision
- Exam pressures
- Managing work load

Or simply, somewhere for our most able and talented students to come to touch base, or have a chat with the Gifted and Talented Coordinator.

This is also an opportunity for students to be signposted to this session from the KS3 and 4 teams where appropriate – E.g. High Achieving Girls that require some extra support.

## Where and when:

On a **week one Tuesday lunchtime, in DT1** (Textiles Classroom)

Students are welcome to bring their lunch!

## Staffing:
