

## Wadebridge Students Celebrate their Success

After all their hard work and an anxious wait, the Year 11 class of 2023 received their examination results and were able to celebrate their success with staff, family and friends.

This cohort saw the end of year 8 and the middle of year 9 disrupted by the Covid restrictions, leaving just years 10 and 11 uninterrupted, but with a lot of work to do to “catch up” and consolidate on.

We are delighted that so many students have achieved outstanding results and exceeded expectations by gaining the highest levels of attainment across all of their subjects, with many others making the highest levels of progress; they should all be justifiably proud and delighted with their grades.

We want to congratulate every student who has received their results today and this extends to students in Year 10, as they have also had to experience the nerves of opening results for the first time!

We know that not every young person will have been overjoyed with their final results, but no matter what their outcome, we are very proud of every student at Wadebridge School. We value great personal strength, courage, humour and kindness just as highly as exam grades, if not more so and we want to thank all our parents and carers, for their support and stamina!

Many students will be now moving on to further study, Apprenticeships or employment and training and we wish them all happiness and success as they move on to the next steps in their lives.
