Public exams were not sat in 2020 and 2021 due to the Covid 19 pandemic.

In 2022 any grades received as TAGs in 2021 were not counted in school performance measures, this means that the English Literature GCSEs gained by our students in 2021 do not feature in the above table of key performance indicators.

The figures (for 2018 and 2019) are taken from ["Find and Compare Schools in England"](#).
