During the evening you may want to find out:

What additional resources would be required for pupils to be successful studying this course?

What are the expectations on out of school work that needs to be completed?

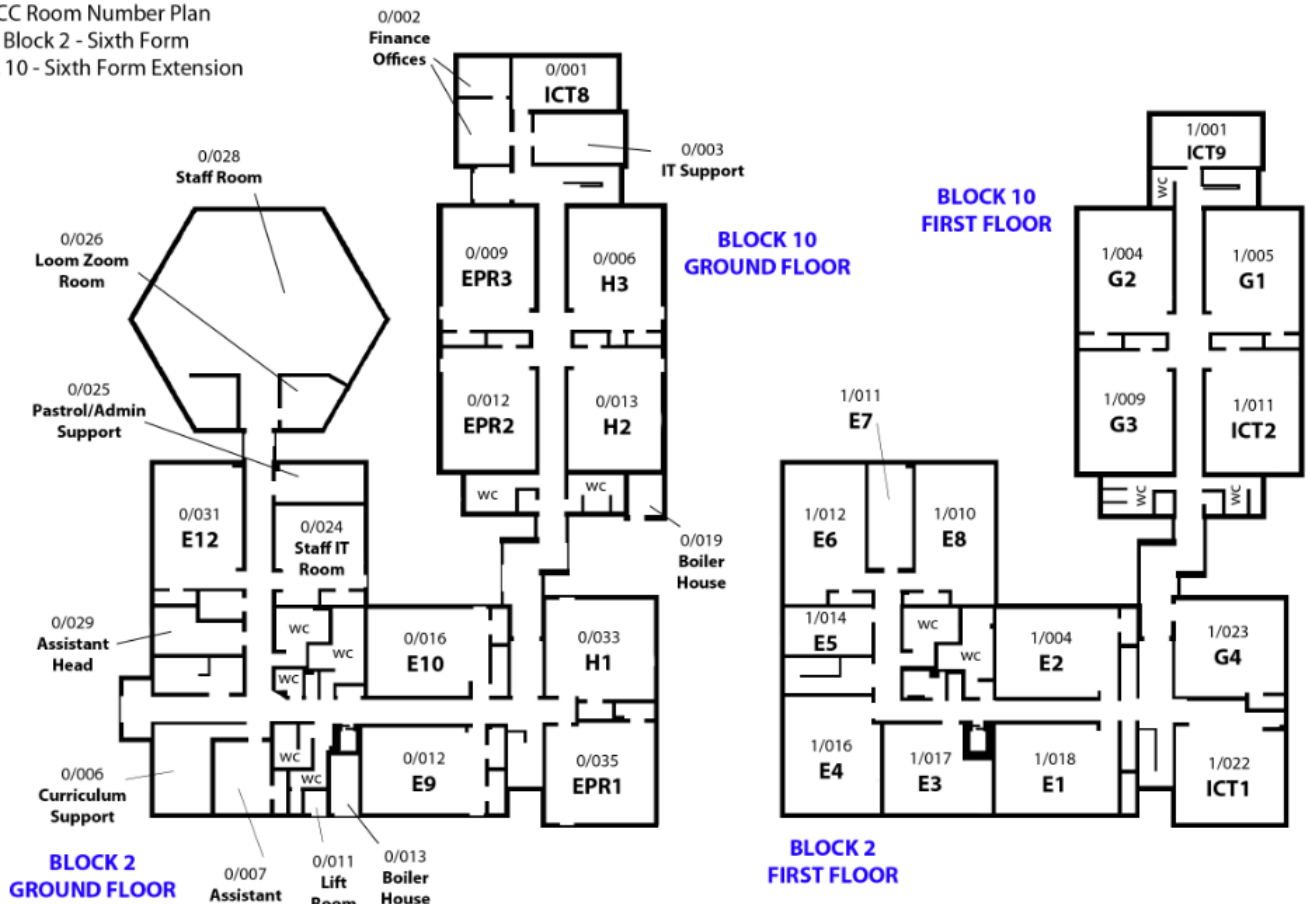

Are there any compulsory trips or fieldwork sessions?

How many exams will be sat at the end of Year 11 for this qualification?

Are there any NEA (non-exam assessed) components to the course and how much of the course do they make up?

If any school time is missed (due to illness) during the completion of NEAs, can these be caught up at another time?
