

Pupil Voice - RSHE Safe Sheets Information for Parents

In the last Newsletter I showed you our RSHE Safe Sheet. We use this at the start of the year to ensure all pupils are able to share any concerns regarding topics to be taught in RSHE that year.

'Safe Sheet -updates' have recently been sent out to pupils to gain feedback on their RSHE lessons and how they are feeling NOW about their upcoming topics. It has been excellent to see that most pupils are feeling much more at ease, are enjoying their lessons and finding them useful. See some of the feedback from pupils below across all year groups.
