Dear Parent/Guardian,

I am pleased to be offering **singing** lessons and performance coaching at your child's school.

The voice is the most expressive and flexible instrument of them all and lessons benefit any student wishing to pursue musical or theatrical performance at or beyond school. Good singing can also improve confidence and contribute to higher self-esteem and better physical fitness. My lessons focus very much on the needs and interests of the pupils involved and I select material of the right level that I know will be enjoyed. As with other instruments, graded examinations can be taken in singing and I can prepare pupils for these if required. Grade 5 is regarded as equivalent to GCSE level and can be a valuable addition to a student's profile. Higher grades are worth UCAS points. Pupils can specialise in popular styles, musical theatre or classical singing. Many choose to work towards auditions, competitions and/or public performances.

Singing lessons will take place during the school day on a rotating timetable and last for 15-30 minutes, depending on type. Some break, lunch or after school times may be available. There will be ten lessons in every term. Fees will be requested at the beginning of each term and you may arrange to pay in instalments if you wish. Subsidies are available for those in receipt of free school meals. For dedicated vocal performers 30 minute individual lessons are best.. Please email me if you would like more information about this or anything else.

If you would like your child to receive lessons, please fill out the form on the Google link below or complete and return the slip below to the music department..

Many Thanks,
Zoe Zalick (Mrs)
