

## **Teacher of Design & Technology - teaching across all DT areas**

- Construction, Food and Product Design
- Start Date: September 2026
- Pay Scale - MPS/UPS
- Full-time
- 1-year fixed term contract with the view of making the role permanent at the end of the contract

### **Inspire the Next Generation at Wadebridge School**

Are you an enthusiastic, passionate Teacher of Design & Technology with a proven track record of strong outcomes looking to join a successful and supportive school? Wadebridge School is seeking a qualified Teacher of Design & Technology to join our well-resourced and thriving Design & Technology department. This role would be suitable for an experienced teacher or early career teacher (ECT).

### **About the Role**

Within Design and Technology, students study a wide range of specialist subjects across key stage 3 including Product Design, Textiles, Architecture and Food and Nutrition. At Key stage 4, students have the option of studying AQA GCSE Product Design and WJEC Hospitality and Catering, with both areas continually increasing in popularity and success. We have strong links to industry and frequently work with local businesses and chefs in the local area to enhance student learning.

The Design Technology department is well resourced, with a dedicated IT suite, large workshops with separate teaching and practical spaces and three newly refurbished food classrooms. Our dedicated team is supported by 3 technicians.

This position would suit an experienced teacher with a track record of excellent student progress across Key Stage 3 and 4, or equally a newly qualified teacher who can demonstrate the potential to make a positive impact on students' outcomes. The successful candidate should be enthusiastic, confident, with an absolute commitment to the highest standards of teaching and learning and a genuine enthusiasm for nurturing a passion for Design Technology.

Candidates should have energy and vision to build on the current progress of the department and be keen to develop existing modules of work to promote student participation, progress and attainment and to realise aspirational progress for all.

### **A School that Cares – About Students & Staff**

At Wadebridge School, we balance an unwavering focus on progress and achievement with a strong commitment to student wellbeing. We work tirelessly to support our young people in every aspect of their lives, ensuring they develop the skills and strategies needed to succeed academically and personally.

### **Our CARE Values**

At Wadebridge School, our values define everything we do:

- **Community and Cooperation** – We work together to create a strong, supportive, and inclusive school.

## WADEBRIDGE SCHOOL

Teacher of Design & Technology – teaching across all areas of DT

- **Ambition and Achievement** – We inspire our students to aim high and reach their full potential.
- **Respect and Responsibility** – We foster a culture of kindness, integrity, and accountability.
- **Enjoyment and Endeavour** – We believe learning should be engaging, challenging, and rewarding.

### Join Us!

Join us at an exciting time as we continue to drive our school and wider community forwards.

Wadebridge School has 1,030 students aged 11 to 16 and has been an academy since 2012. We were successfully inspected by Ofsted in April 2025 – the full report is available on our school website.
