Wadebridge School 'Sport for all' Extra-Curricular Programme

Our exciting new Programme.....

The national picture for school sport and physical activity is changing for the better and there is a shift to engage as many pupils as possible in sport and activity.

Historically, we have engaged many of our sporty pupils with competitive practices, matches and festivals. But this has not suited all of our pupils and we want to reach more!

Our new programme is going to allow the competitive fixtures to continue engaging pupils in team sports. We are also fully committed to the Cornwall School Games events.

The major change will be to our extra-curricular programme where we are moving away from team training which engages the same pupils as the competitive fixture programme. Instead we are now running an activity based programme where ALL pupils can be engaged with a wide range of activities on offer.
